H. C. LODGE, CHAIRMAN.
E. T. CLARK, CLERK.

United States Senate,

COMMITTEE ON PRIVATE LAND CLAIMS.

December 4, 1917

My dear Mr. Falconer:

I have received your letter and regret the delay in replying. I wish that I could come to Toronto and speak to the members of the Canadian Club but, as I have recently written the secretary, every moment of my time is so occupied with my work here that it is out of the question for me to undertake any outside speaking, and especially to make an engagement which would take me so far away from Washington in the present situation. I assure you I greatly appreciate your kindness and only regret that I can not avail myself of it as I should otherwise like to do.

With renewed thanks, I am

Very truly yours,

H. C. Lodge

Robert A. Falconer, Esq.,
President, Canadian Club,

Hon. Henry Cabot Lodge,

Washington, D.C.

Dear Mr. Lodge:

I understand that the Secretary of the Canadian Club of Toronto has written to you asking you if possible to come to Toronto and address the Canadian Club at some time during the approaching winter. You may remember that you were kind enough to allow me to call upon you last July when I spoke to you about this invitation. I do not need to assure you again that if it is possible for you to come to Toronto your visit will be highly appreciated and that a large number of the citizens of Toronto will esteem it a great privilege to have the opportunity of hearing you. As I have already expressed to you my own hope in the matter I do not need to repeat any personal solicitation on behalf of the Club.

With kind regards, I am,

Yours sincerely,

President.
